

Pre-Disaster Mitigation FY2016 (PDM)

The Pre-Disaster Mitigation (PDM) program provides funds for projects which reduce the overall risk to population and structures from future hazard events, while also reducing the reliance on federal funding from future disasters.

Sub-Applications are due to the State via e-grants no later than 3pm on April 29th, 2016.

To apply to the Pre-Disaster Mitigation program go to:

<https://portal.fema.gov>

Once completed, the State will access the application for review on e-Grants.

Paper or email sub-applications cannot be accepted.

Cost Share Breakdown (Percentage of Federal/Non Federal Share) = 75/25
Project selection will be on a nationally competitive basis.

Eligible Sub-Applicants:

- State and Local Governmental Agencies
- Indian Tribal Governments

Eligible Activities:

- Mitigation Planning

Priorities:

1. Multi –Jurisdictional Local Natural Hazard Mitigation Plans (NHMP's). Up to \$300,000 can be awarded per multi NHMP.
2. Single-Jurisdictional Local Natural Hazard Mitigation Plans (NHMP's). Up to \$150,000 can be awarded per single jurisdictional NHMP.

Note: Funding can only go to the update of a FEMA approved Natural Hazard Mitigation Plan.

Instructions for using FEMA E-Grants System to Enter FEMA Grants Applications

To enter a Sub-grant Application:

Go to the E-Grants website: <https://portal.fema.gov>

If you have questions about entering the application electronically, there is a help section and a frequently asked questions section on the webpage. FEMA has also established an E-Grants Helpdesk toll-free at (866) 476-0544.

For more information about PDM or other programmatic requirements, go to:

<http://www.fema.gov/mitigation-egrants-system-0>

State contact for the Pre-Disaster Mitigation Program:

Gemma Fabris at gemma.fabris@ct.gov

Connecticut Department of Emergency Services and Public Protection
Division of Emergency Management and Homeland Security

Sub-Applications for funding must be received via e-grants no later than 3pm April 29th, 2016
